

All around us security needs are increasing:

It is more important than ever to know who you are hiring.

Foreign governments are increasing their security requirements for business relationships and travel.

Protection of intellectual property is critical for knowledge based industries.

You need to be able to check citizenship, employment records, visas and foreign work permits as well as criminal records.

ClearNeed employs enhanced encryption and network security standards.

The choice is clear....

ClearNeed Information Systems Inc. was incorporated in 2004 and is associated through interlocking directorate with two successful Canadian owned financial sector companies.

ClearNeed's bilingual software provides easy access to both french and english formats with a click of the mouse.

Opportunities for
Fingerprinting Agencies
and Corporations

CLEARNEED INFORMATION SYSTEMS INC.

Affiliate Business Opportunity

ClearNeed Information Systems Inc. is establishing a National Network of Affiliate Fingerprint Agencies and Corporate Security Units to provide easy access to fingerprinting services and criminal record searches.

ClearNeed will provide, to qualified Affiliates, a turnkey installation that is Certified and Accredited with the RCMP for the electronic submission of fingerprints.

With no up-front costs and ongoing system maintenance by ClearNeed, our Affiliates are able to focus on the business of providing fingerprint services using a reliable and rugged installation that may also be used as a mobile off site fingerprint capture system. Responses are quick (72 hours) and efficient with our electronic connection to the RCMP.

Who is ClearNeed?

ClearNeed is an RCMP Certified and Accredited Canadian Company making LiveScan Fingerprint solutions available to Finger Printing Agencies and Corporate Clients for rapid and secure electronic processing of record searches.

- Provides turnkey installations
- Maintains network & equipment for high reliability
- No up-front costs for qualified Affiliate Fingerprint Agencies or Corporate clients
- Cardscan services for low volume qualified Affiliates
- Customizable report generation
- Certification and Accreditation assistance provided to qualified Affiliates

ClearNeed Provides Access

Fingerprint record checks are required for the following:

- Permanent Residency
- Canadian Citizenship
- Canadian Employment
- Canadian Pardons
- U.S. Entry Waivers
